Office Order

Considering the request of students regarding extension or for special back exam to complete their degree program, the Academic Council in its 34th meeting held in April 2024 granted its approval for organizing a special back examination for students in old undergraduate programs (Old CBCS system).

In this regard, it is hereby notified that those non-NEP-20 students, who have yet not completed their degree program in the stipulated time and exhausted their maximum duration of degree but have failed, will be given another opportunity to complete their degree program for which, they will be required to appear for special back examination in the current academic 2024-25 itself.

The students who have failed in maximum 3 papers will be allowed for special back examination to be organized in the current semester. This provision will be applicable for the students of non-NEP batches, whose enrolment is not before the academic year 2019-20 (UG) and 2021-22 (PG) respectively. This will be one time provision for the settlement of such cases to enable the students to complete their respective degree program.
