12	B.Sc. Physics (Hons/Hons with Research)	05

The criteria for lateral entry (3rd Semester) admissions in an undergraduate (UG) program according to the National Education Policy (NEP) 2020 will be as given below:

1. Entrance Test: An entrance test will be conducted by the respective department based on a prescribed syllabus to admit students for lateral entry into the UG program as per NEP 2020. The test is designed to assess the students' knowledge and readiness for the year of study they intend to enter.
2. Merit-Based Selection: Selection will be based purely on the merit obtained in the entrance test with qualifying marks as 50% of total marks of the entrance test and will be subject to the availability of seats in the respective program in the given year.
3. Student should deposit a certificate issued by the Registrar /Director of the parent institution that he/she has successfully completed the 2nd Semester with a minimum of 40 credits without any back paper. The student should also submit his/her 2nd Semester final grade sheet with an Academic Bank of Credit (ABC) certificate showing a minimum of 40 credits.
4. If total credits earned by the student are less than 44 (for admission in 3rd semester) from the previous institution, then he/she will have to register in required courses (to be identified by the respective department) to complete the credit requirement of 44 credits in for lateral entry admissions at 3rd. But in any case, student(s) with less than 40 credits (for admission in 3rd Semester) will not be allowed for lateral entry.

The process for admission through lateral entry shall be completed by 31st July 2026. Willing candidates are required to contact at the respective Departments of the University accordingly alongwith the filled attached form.
