- 1.32. **"Research Proposal"** means a brief write-up giving an outline of the proposed research work which the Ph.D. scholar shall submit along with the application for confirmation of registration in Ph.D. programme;

[2] Eligibility Criteria for Admission to Ph.D. Programme:

The following are eligible to seek admission to the Ph.D. programme:

- 2.1. Candidates who have completed a 1-year/2-semester master's degree programme after a 4-year/8-semester bachelor's degree programme or a 2-year/4-semester master's degree programme after a 3-year bachelor's degree programme or qualifications declared equivalent to the master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed.

A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.

- 2.2. Candidates who have completed an equivalent qualification (as mentioned in clause 2.1) from a foreign educational institution accredited by an assessment

and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institution.

A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.

- 2.3. Candidates who have completed a 4-year/8-semester bachelor's degree programme with a minimum of 75% marks in aggregate or its equivalent grade on a point scale wherever the grading system is followed.

A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.

- 2.4. Candidates who have completed the M.Phil. programme with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of educational institutions, shall be eligible for admission to the Ph.D. programme.

A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.

[3] Duration of the Programme:

- 3.1. Ph.D. programme shall be for a minimum duration of three years (including course work) and a maximum of six years from the date of admission to the Ph.D. program.
- 3.2. A maximum of an additional two (2) years can be given through a process of re-registration as per the Statute/Ordinance of the University; provided, however, that the total period for completion of a Ph.D. programme will not exceed eight (8) years from the date of admission in the Ph.D. programme.
- 3.3. In case of female Ph.D. scholars and Persons with Disabilities (having more than 40% disability), an additional relaxation of two (2) years may be granted on the recommendation of SRAC (Student Research Advisory Committee) if it appears that the candidate is having genuine ground for extension and has

expressed dedication and commitment to research activities during the preceding 06 years. However, the total period for completion of a Ph.D. programme in such cases will not exceed ten (10) years from the date of admission in the Ph.D. programme. For the period of extension and leaves, the student will pay the fee.

- 3.4. Female Ph.D. Scholars may be provided Maternity Leave/Child Care Leave for up to 240 days in the entire duration of the Ph.D. programme. For the period of extension and leaves, the student will pay the fee.
- 3.5. Extension beyond the aforementioned limits will be governed by the relevant clauses as stipulated in the amendments or notifications (issued by the UGC from time to time) and/or the resolutions of the Academic Council of the university in this context.
- 3.6. All Ph.D. scholars, irrespective of discipline, shall be required to train in teaching /education /pedagogy/writing related to their chosen Ph.D. subject during their doctoral period. Ph.D. scholars may also be assigned 4-6 hours per week of teaching/research assistantship for conducting tutorial or laboratory work and evaluations.

[4] Procedure for Admission

- 4.1. The University shall decide on an annual basis through its departments and schools the number of candidates to be admitted depending on the number of available Research Supervisors for every department and school, keeping in mind the norms regarding the scholar- teacher ratio (as prescribed by UGC in its regulations).
- 4.2. The University will notify well in advance on the website and/or through advertisement in newspapers, and/or through the mode prescribed by UGC in its regulations (issued or amended from time to time) the number of seats for admission, subject/discipline-wise distribution of available seats, criteria for admission, procedure for admission, examination centre(s) where entrance test(s) shall be conducted and all other relevant information for the ease of the candidates.
- 4.3. The admission shall be based on the criteria notified by the University, keeping in view the guidelines/norms in this regard issued by the UGC and/or Academic Council of the university, and taking into account the reservation policy of the Central/State Government from time to time. The university will adhere to the State-level reservation policy, as applicable.
- 4.4. The University will admit the students through an Entrance Test conducted once in a year at the university level.
- 4.5. University will invite the applications from the interested individuals either offline (duly signed original copy) or online in a prescribed format (approved

by the Academic Council or the concerned body such as admission committee) for the entrance test *as notified*.

- 4.6. The University will have separate mode for Ph.D. Entrance Test for the following categories of candidates:

- (4.6.1.) Those who have qualified UGC-NET (including JRF)*
- (4.6.2.) Those who have qualified UGC-CSIR NET (including JRF)*
- (4.6.3.) Those who have qualified SLET*
- (4.6.4.) Those who have qualified GATE*
- (4.6.5.) Those who are teacher fellowship holders*
- (4.6.6.) Those who are regular appointed teachers of the university.*
- (4.6.7.) Those who are international students.*

For the candidates of such categories, it will not be necessary to appear in written component of entrance examination. They will be called upon for the interview directly along with those, who will qualify the written entrance examination as elaborated in the succeeding paragraphs.

- 4.7. As mentioned under UGC Regulations 2022, the university will admit candidates by a two-stage process through:

4.7.1. Students who have secured minimum 50 % marks in the *written* entrance test will be eligible to be called for the interview. A relaxation of 5 % marks will be allowed in the entrance examination for the candidates belonging to SC/ST/OBC/differently-abled category, Economically Weaker Section (EWS), and other categories of candidates as per the decision of the Commission from time to time.

4.7.2. *The syllabus of this Entrance Test shall consist of two components: (A) 50% of research methodology and (B) 50% shall be subject specific. Part A will have 35 questions and part B will also have the same number of questions. All the questions will be multiple choice questions (MCQ). Each question will carry one (01) marks. There shall not be any negative marking for wrong answer of any question. Duration of the entrance test shall be two hours. The research methodology component may be common or uncommon for all the disciplines or subjects. If research methodology component is common for all the subjects, Vice-chancellor will constitute a committee having experts (internal and/or external) from all the disciplines (in which students will be admitted in Ph.D. programme) to moderate the question paper of research methodology. For setting-up the question paper for remaining 50% subject specific component, Vice Chancellor or the admission committee on the approval of the Vice-Chancellor, may invite external experts to submit the questions in a completely confidential manner.*

4.7.3. *The Entrance Test shall be conducted at the Centre(s) notified in advance (changes of Centres, if any, also to be notified well in advance) at the level of the University.*

4.7.4. An interview/viva-voce will be organized at the concerned schools or departments for both categories of candidates (i) who have qualified written component of entrance examination (ii) those who are exempted. During this interview/viva-voce, the candidates will be required to discuss their research interest/area through a presentation before the 'Interview/Viva-Voce Committee' of the Department. Constitution of this committee including chairperson and/or convenor and members will be finalized and/or approved by the AAC. AAC will ensure that all such Assistant Professors, Associate Professors or Professors of the Department/School, who are eligible to supervise Ph.D. students and/or will be appointed/designated as supervisors for the newly admitted students will be the member of this interview committee by default.

4.8. The university may decide the number of eligible students to be called for an interview based on the number of Ph.D. seats available.

4.9. The interview/viva voce shall also consider the following aspects, viz. whether:

4.9.1. the candidate possesses the competence for the proposed research;

4.9.2. the research work can be suitably undertaken at the department/school;

4.9.3. the proposed area of research can contribute to new/additional knowledge.

The following format will be used to assess the performance of each candidate:

S.N.	Roll No.	Domain Knowledge (15 Marks) (Competence of the candidate for the proposed research)	Innovative and New Ideas in Research Proposal (10 Marks) (Possibility of Contribution to New/Additional Knowledge)	Feasibility of Proposed Research at Department or School (5 Marks)	Total (30 Marks)
[1]					

4.10. For the selection of candidates based on the entrance test conducted by the university, a weightage of 70 % for the entrance test and 30 % for the performance in the interview/viva- voce shall be given. However, while preparing the final merit list of the candidates, belonging to the categories mentioned under clause 4.6 i.e., exempted from appearing in the written test, 30% of the percentage secured at UG, 40% of the percentage secured at PG, and the marks secured in the interview/viva-voce out of maximum 30 will contribute to the final merit of such candidates.

4.11. The University shall maintain and update the list of all the Ph.D. registered students on its website on year-wise basis. The list shall include the name of the registered candidate, topic of his/her research, name of his/her supervisor/co-supervisor, date of enrolment/registration.

4.12. *Admission of International students in Ph.D. programme:*

For the admission of international students in Ph.D. programme, the University will adopt the procedure which is reported for the individuals described under section 4.6. However, the Academic Council may revise the selection procedure for such individuals keeping in view the guidelines/norms in this regard issued by statutory/regulatory bodies concerned from time to time. Each supervisor can guide up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars.

[5] Appointment of Research Supervisor

5.1. Only a full-time regular teacher of the University can act as a supervisor.

5.2. Permanent faculty members working as Professor/Associate Professor of the University with a Ph.D., and at least five research publications in the journals (prescribed by the UGC) will be recognized as eligible to be the Research Supervisor in the university. However, in the areas/disciplines where there is no or only a limited number of journals (prescribed by the UGC), the Academic Council may relax the aforementioned condition for recognition of a person as Research Supervisor with reasons recorded in writing.

5.3. Permanent faculty members working as Assistant Professors in the University with a Ph.D., and at least three research publications in in the journals (prescribed by the UGC) will be recognized as eligible to be the Research Supervisor in the university. However, in the areas/disciplines where there is no or only a limited number of journals (prescribed by the UGC), the Academic Council may relax the aforementioned condition for recognition of a person as Research Supervisor with reasons recorded in writing. It is provided further that no teacher of a Department serving as an Assistant Professor shall be appointed as Supervisor, until and unless (s)he holds a doctoral degree and an experience of teaching at Graduate and Post- graduate level of not less than three years, including experience of not less than two years of teaching and research at the Post-Graduate level.

5.4. Such recognized research supervisors cannot supervise research scholars in other institutions, where they can only act as co-supervisors. Ph.D. degree will not be awarded by the university under the supervision of a faculty member who is not an employee of the university.

5.5. In case of teachers, appointed under UGC-Faculty Recharge Programme (FRP), Vice Chancellor will consider and provide the approval for their

appointment as Ph.D. supervisors preferably before the advertisement of vacancies in the Ph.D. program. Vice Chancellor may not allow such a teacher if his/her post-doctoral research and/or teaching experience is less than three years and (s)he has not published a minimum 08 publications in international journals of high repute or the journals listed in UGC's CARE list. In addition, such a teacher shall also give an undertaking that (s)he would complete his tenure at Doon University.

- 5.6. No supervisor shall be a relative of the candidate.
- 5.7. The appointment of Research Supervisor for a selected Ph.D. student shall be decided by the *Academic Advisory Committee (AAC)* depending on the number of Ph.D. students per Research Supervisor, the available specialization among the supervisors and research interests of the candidate.
- 5.8. The external supervisors shall not be allowed. However, in case of topics which are of inter-disciplinary nature where the AAC feels that the expertise in the field is to be supplemented from outside, the AAC may appoint a Research Supervisor from the Department itself, who shall be known as the Research Supervisor, and a Co-Supervisor from outside the Department/School/University on such terms and conditions as may be specified and agreed upon by the consenting Institution/University/Research Laboratory of national repute. Co supervisor will not be appointed within the same department. Co-supervisor will not be in blood relation or close relation with the supervisor and/or Ph.D. student. Appointment of co-supervisor shall take place with the mandatory approval of the Academic Advisory Committee (AAC). The Registrar or the office authorized by the Vice-Chancellor will be informed immediately after the appointment of the co-supervisor. No person shall be recommended for appointment as Co-Supervisor, except if (s)he is a serving Professor, Associate or Assistant Professor thereof Emeritus Professor/Scientist of National Laboratories/ National Institute not below the rank of Scientist E or teacher appointed under FRP (UGC). In case of teachers, appointed under UGC-Faculty Recharge Programme (FRP), Vice Chancellor will consider and provide the approval for their appointment as co-supervisors. Vice Chancellor may not allow such a teacher if his/her post-doctoral research and/or teaching experience is less than three years and (s)he has not published a minimum 05 publications in international journals of high repute or the journals (prescribed by the UGC). In addition, such a teacher shall also give an undertaking that (s)he would complete his tenure at Doon University.
- 5.9. Adjunct Faculty members shall not act as Research Supervisors. They can only act as co-supervisors.
- 5.10. Appointment of any Co-supervisor(s) would not be made after a lapse of 18 calendar months from the date of initial registration of the Ph.D.

student/candidate except when none of the supervisors is in the university for a period of a year or more at a stretch.

- 5.11. A Research Supervisor/Co-supervisor who is a Professor, at any given point of time, cannot guide more than Eight (08) Ph.D. students. An Associate Professor as Research Supervisor can guide up to a maximum of six (06) Ph.D. students and an Assistant Professor as Research Supervisor can guide up to a maximum of four (4) Ph.D. students. Each supervisor can guide up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars. After submission of thesis by a particular Ph.D. student, his/her seat would be considered to be vacant.
- 5.12. In case of relocation of a woman Ph.D. student due to marriage or otherwise, the research data shall be allowed to be transferred to the University to which the student intends to relocate provided all the other conditions in these regulations are followed in letter and spirit and the research work does not pertain to the project secured by the parent institution/ supervisor from any funding agency. The student will however give due credit to the parent guide and the institution for the part of research already done.
- 5.13. Faculty members with less than three years of service before superannuation shall not be allowed to take new research scholars under their supervision. However, such faculty members can continue to supervise Ph.D. scholars who are already registered until superannuation and as a co-supervisor after superannuation, but not after attaining the age of 70 years.

[6] Appointment of Joint-Supervisors and/or Caretaker-Supervisor for Ph.D. Students in Extraordinary Circumstances

A faculty member, appointed as a Ph.D. supervisor, is normally expected to be available to a Ph.D. student in the University till the final viva-voce examination of thesis. However, under unavoidable circumstances (such as long leave of more than 12 months, resignation, retirement, or death), a supervisor may not be available to the Ph.D. student. In such special cases, appointment of supervisor(s) will be regulated as under:

6.1. A supervisor proceeding on long leave of more than 12 months

- (a) (i) Where Co-supervisor exists and the supervisor proceeds on long leave for more than 12 months, the co-supervisor can continue to be a supervisor provided the Student's Research Advisory Committee (SRAC) / Academic Advisory Committee (AAC) is convinced of effective supervision by the Co-Supervisor.
- (ii) Where a co-Supervisor does not exist, a Joint-Supervisor may be appointed by the Academic Advisory Committee (AAC) in cases where a Ph.D. student has not yet made his/her pre-thesis submission seminar.

- (b) (i) Provided, if the pre-thesis submission seminar has been held before the supervisor proceeds on leave, (s)he will continue to be the supervisor and only a caretaker supervisor will be appointed.
- (ii) The thesis has been submitted before the supervisor proceeds on leave, (s)he will continue to be the supervisor and only a caretaker supervisor will be appointed.
- (iii) Further, if a major revision becomes necessary, and the sole supervisor is on leave, (s)he should be asked to specifically state whether he would effectively help the Ph.D. student carrying out the major revisions within a reasonable time. In case the sole supervisor expresses his/her inability due to one reason or the other, the caretaker supervisor, if he provides the required help in carrying out the major revision, will automatically be treated as Joint-Supervisor (Co-supervisor) of that candidate.
- (c) Provided further, if a supervisor proceeds on leave for a period less than 12 months initially, but later extends his leave beyond 12 months, the above procedure will be followed. The extension granting authority will inform the Academic Section, the Department or School and/or the office authorized by Hon'ble Vice Chancellor accordingly.

6.2. A Supervisor retires

A faculty member who is due to retire within the next two years can be appointed as a Co-Supervisor and can continue to be the Joint-Supervisor even after his retirement provided the Student's Research Advisory Committee (SRAC) and/or Academic Advisory Committee (AAC) is convinced of his availability/continued guidance to the Ph.D. student.

In other cases, a faculty member on retirement may continue as (i) a Supervisor, if re-employed or appointed Emeritus Fellow; (ii) a Co-Supervisor, if the synopsis of the thesis has been submitted. Appointment of another Supervisor, if necessary, will be as caretaker Supervisor.

6.3. A Supervisor resigns

If the supervisor of a Ph.D. student resigns, a new Supervisor and/or a caretaker supervisor will be appointed by Academic Advisory Committee (AAC).

6.4. A Supervisor dies

In such circumstances, a new Supervisor will be appointed, if necessary, on the recommendation of Student's Research Advisory Committee (SRAC) /Academic Advisory Committee (AAC).

[7] Course Work: Credit Requirements, Number, Duration, Syllabus, Minimum Standards for Completion, Examination and Evaluation etc.

- 7.1. There shall be compulsory Pre Ph.D. course work of 14 credits for all the Ph.D. candidates admitted in Ph.D. programme of all the departments or schools of the University. The course work will include a "*Research and Publication Ethics*" course as notified by UGC vide D.O. No. F.1-1/2018(Journal/CARE) in 2019 and a research methodology course. The Department or Research Advisory Committee can also recommend UGC recognized online courses as part of the credit requirements for the Ph.D. programme.
- 7.2. The duration of the course work will be six months. It shall be treated as pre-requisite for Ph.D. preparation. It will include the following types of courses:

S.No.	Title or Nature of the Course	Credits	Remark
[1]	Research Methodology	04	It will be a compulsory course. It will cover areas such as quantitative methods, computer applications, research ethics and review of published research in the relevant field, training, field work, etc. For a particular discipline, if syllabus is not recommended by UGC, the same will be designed and/or finalized by the Academic Advisory Committee (AAC) and approved by AC.
[2]	Research and Publication Ethics (RPE)	02	It will be a compulsory course. Its syllabus will be in line with the content, prescribed by UGC.
[3]	Two Elective Courses which suit the candidates's research area	04 + 04	As stipulated under UGC guidelines, the Department where the Ph.D. candidate pursues his/her research shall prescribe the course(s) based on the specializations available in the Department. Such discipline specific elective courses, offered by the department will be 4-6 in number, and the Ph.D. candidate will have the liberty to choose any two. These courses may be categorized as Elective Compulsory Courses (ECC).

			If it is required and necessary, well-defined and relevant lab component may also be included in the syllabus in some or all the courses of this category. The syllabi of such courses must be duly approved by Academic Council.
--	--	--	---

- 7.3. In the 6th month, Registrar will issue the notification mentioning about the dates upto which the end semester examinations must be conducted and the date on/or before which the award sheets must be submitted to the examination section.
- 7.4. All courses, prescribed for Pre Ph.D. course work, shall be in conformity with the credit hour instructional requirement and shall specify content, instructional and assessment methods. These shall be duly approved by the Academic Council.
- 7.5. All candidates admitted to the Ph.D. Programmes shall be required to complete the course work prescribed by the Department during the initial 06 months beginning within a week after the last date of the deposition of the fee.
- 7.6. Evaluation shall be done on a continuous basis. For the purpose of uniformity in assessment and evaluation, there will be one mid semester examination (30 Marks, 02 hours), one end-semester examination (50 Marks, 03 hours) and internal assessment (20 Marks) for all the courses. Course coordinator may employ one or more assessment tools such as objective tests, assignments, presentations, laboratory work, depending on the nature of the course for the purpose of internal assessment.
- 7.7. For the purpose of end semester examination, Department will provide the details of course codes, course title, syllabi of all the courses, names of the faculty members who have been assigned to undertake the courses, format of the question paper, and the names of minimum (but not limited to) three faculty members outside the university (who are able to set the question paper(s) and evaluate the answer booklets for each course) to the Coordinator of Examination or Registrar or the office authorized by the Vice-Chancellor.
- 7.8. Ph.D. candidates shall compulsorily appear in the mid semester examination, failing which they will not be allowed to appear in the end semester examination. In case of those who could not attend any of the mid semester examination due to medical reason or under extraordinary circumstances defined by examination section of Doon University, a make-up examination will be conducted in accordance with the rules of examination section. In the

science or related disciplines, the end-semester examination may also include a component on laboratory-based examination.

- 7.9. A candidate, who has less than 75% attendance, will not be permitted to sit in examination. However, Vice-Chancellor in consultation with exam section may grant exemption to a candidate after becoming satisfied with the reasons/grounds presented by the one who has failed to record the prescribed 75% attendance. Such exemptions shall not be granted under any circumstances if record of attendance percentage is less than 60%.
- 7.10. A Ph.D. candidate has to obtain a minimum of 55% of marks or its equivalent grade in the UGC 7-point scale (or an equivalent grade/CGPA in a point scale wherever grading system is followed) in the course work in order to be eligible to continue in the programme and submit the thesis.
- 7.11. A candidate who has not secured a minimum of 55 percent marks in a pre-Ph.D. course will be considered to be failed. A failed candidate or the candidate, who has not completed or qualified the course work in the first semester, shall be allowed to repeat the semester examinations for a maximum of two times.
- 7.12. The percentage of marks obtained by a candidate in a course will be converted into a grade point (SGPA/CGPA) using the same criteria, existent in the university without violating UGC regulations/guidelines in the matter.
- 7.13. All Ph.D. scholars, irrespective of discipline, shall be required to train in teaching /education /pedagogy/writing related to their chosen Ph.D. subject during their doctoral period. Ph.D. scholars may also be assigned 4-6 hours per week of teaching/research assistantship for conducting tutorial or laboratory work and evaluations.

[8] Student's Research Advisory Committee (SRAC) and Its Functions

- 8.1. There shall be a Student's Research Advisory Committee (SRAC) for each Ph.D. student. Having considered the proposal/recommendation of supervisor and the nature/field of the research problem, the Academic Advisory Committee (AAC) of the Department or the School will constitute such a committee within a period of 02 months after the enrolment of the candidates in the department. The committee will be made up of minimum (but not limited to) three members: (i) *Research Supervisor*, the convenor (ii) *Head or the nominee of the Head* belonging to the same department, and (iii) *One external member* outside the department or school belonging to the same/similar subject. The Research Supervisor of the student shall be the Convener of this Committee.
- 8.2. The constitution of SRAC members shall be forwarded to the Vice Chancellor through Registrar for perusal and record.

8.3. This Committee shall have the following responsibilities:

8.3.1. To review the research proposal and finalize the topic of research;

8.3.2. To guide the Ph.D. student to develop the study design and methodology of research and identify the course(s) that (s)he may have to do.

8.3.3. To periodically review at least once in a every semester and assist in the progress of the research work of the Ph.D. students.

8.3.4. To ensure that Ph.D. scholar, irrespective of discipline, is being trained in teaching / education / pedagogy / writing related to his/her chosen Ph.D. subject during the doctoral period with his/her involvement (4-6 hours per week) in teaching/research assistantship for conducting tutorial or laboratory work and evaluations.

8.3.5. To make minor modifications in the research proposal, if necessary, depending upon the progression of work and results of the studies.

8.3.6. To finalize (i) the Summary of Thesis and (ii) the Title of the Thesis, before the date of pre thesis-submission presentation and communicating, if required, such changes (or the final title along with Summary of Thesis) to the appropriate authority of the university for record and/or necessary approval/notification.

8.4. Department shall hold the meetings of Student's Research Advisory Committees (SRAC) of all the Ph.D. students on a single day and a particular venue in the month of June for the even semester and in the month of December for the odd semester. The date will be finalized and notified by the Head or In-Charge of the Department or School. Head or In-Charge will be the coordinator for all the SRAC meetings and monitor the same carefully. At least two weeks prior to the date of SRAC meetings, Head or In-Charge will also intimate the office of the Registrar or the office authorized by the Vice-Chancellor about the date for the purpose of record/notification and other necessary action, if any. Hon'ble Vice Chancellor may also nominate a member in such meetings.

8.5. If it is required at the completion stage of the thesis, the supervisor may also call upon additional meeting(s) (i.e., more than once) of SRAC in a particular semester to avoid unnecessary delays.

8.6. The Ph.D. student shall appear before his/her SRAC in every meeting (to be held in the month of June for the even semester and in the month of December for the odd semester) to make a presentation of the progress of his/her work for evaluation and further guidance. During the presentation, the student, irrespective of discipline, shall also highlight about the mode and status of his/her training in teaching /education /pedagogy/writing (related to the chosen Ph.D. subject) through his/her involvement (4-6 hours per week)

in teaching/research assistantship for conducting tutorial or laboratory work and evaluations.

- 8.7. In extraordinary circumstances when it is not feasible to hold the SRAC meeting due to some unavoidable circumstance, the supervisor would seek the approval of Vice Chancellor for holding the meeting jointly with the meeting for the next semester. During such a meeting, SRAC will submit two different progress reports for different semesters.
- 8.8. The six-monthly progress reports along with the recommendations of the Student's Research Advisory Committee (SRAC) shall be submitted by the supervisor to the University's Academic Section or Registrar Office (or some other office authorized by the Vice Chancellor) with a copy to the Ph.D. student.
- 8.9. In case the progress of the research student is unsatisfactory, the Student's Research Advisory Committee (SRAC) shall record the reasons for the same and suggest corrective measures. If the Ph.D. student fails to implement these corrective measures, the SRAC may recommend to the University with specific reasons for cancellation of the registration of the Ph.D. student.

[9] Confirmation of the Registration

- 9.1. During the course work or immediately after the successful completion of the course work, the candidate will formulate a research proposal/synopsis (preferably in the prescribed proforma) in consultation with the supervisor. The said research proposal shall ordinarily be in not more than 5000 words, and shall present (i) Tentative Title, (ii) Broad Research Area, (iii) Review of the Literature, (iv) Current State of Knowledge on the Proposed Tentative Title of Research, (v) Objectives and (vi) Plan of Research, (vii) the Sources, (viii) Methodology proposed to be employed in the investigation, (ix) References and (x) such other information as may be relevant in that regard. Research supervisor will convene a meeting of Student's Research Advisory Committee (SRAC) in which the student will make presentation about his/her topic and research proposal. The SRAC shall examine the research proposal, the application form of the student for confirmation of registration and the list of all necessary documents in the light of the provisions of these Regulations. The Student's Research Advisory Committee (SRAC) shall consider making recommendation for granting admission to such an applicant who is, in its judgment, suitable for Registration, and also finalize the research proposal of the candidate. The recommendations of SRAC shall be forwarded to the Vice Chancellor/authorized section through Registrar for perusal and record.
- 9.2. In furtherance of the decision of the Vice Chancellor to grant admission to a candidate, the Registrar shall issue a letter of Confirmation of Registration to him/her specifying the (i) Name of his/her Supervisor, (ii) Broad Research

Area (*if required*) and (iii) the Tentative Title of Proposed Research and (iv) Date of Confirmation of Registration. The registrar will issue such a letter in a period, ordinarily of not more than one month, within which (s)he is required to get himself/herself enrolled for the Ph.D. programme after paying the prescribed fees and completing other requisite formalities.

- 9.3. For a candidate/student, his/her enrolment shall be with effect from the date of taking admission (date of deposition of fees) for the pre-Ph.D. course.

[10] Registration at the Time of Commencement of Every Semester

- 10.1. Every student/candidate will be required to renew the registration every semester till the submission of the thesis. The renewal of registration at the commencement of every new semester shall be subject to the completion of specified number of credits/courses and/or satisfactory progress in the research work in the preceding semester. Whether progress is satisfactory or unsatisfactory, it would be recommended by Student's Research Advisory Committee (SRAC).
- 10.2. Provision will be made in the software of examination section or academic section (or the office authorized by Vice-Chancellor) for registration/entry of the course entitled "*Doctoral Thesis*". The title of this course will be uniform throughout all the disciplines of the university. However, different departments or schools may decide a different Course Code for this course. Every student, who has completed his course work successfully, will be registered in this course at the time of commencement of every new semester on the production of copy of satisfactory progress report of the preceding semester, signed by members of Student's Research Advisory Committee (SRAC). For every semester, SRAC will review the progress and, in addition to mentioning whether the progress is satisfactory or unsatisfactory, may also assign the grade (Satisfactory "S" or Unsatisfactory "U") to be given to the Ph.D. student.
- 10.3. If a student/candidate fails to register or renew due to any reason within the time frame notified by the university, his registration, as the case may be, will be cancelled with immediate effect.

[11] Residency Period and Practices during Progression of the Research Work

- 11.1. Subject to the provisions of these Regulations/Ordinance, each student shall, upon admission and enrolment to the Ph. D. program, pursue a course of research of a duration of minimum three years. The maximum duration can be decided on the basis of Clause 3 of this Ph.D. ordinance and/or notifications or regulations issued by the UGC from time to time. For such a period, the candidate (except those who are registered in part-time mode)

will be in residence at the University campus. All the registered candidates shall regularly pay the prescribed semester and other fees up to the time (s)he withdraws from his/her enrolment, or such enrolment is terminated, or (s)he duly submits his/her thesis to the University.

- 11.2. The schedule of the fees and other dues, including fees for the examination of the thesis and the viva voce examination, etc. the payment thereof, shall be laid down, from time to time, by the executive council and/or other competent authority of the university. It shall be notified by the registrar. The provisions in respect of the consequences of failure to pay such fees and other dues within the time specified for the purpose, and other conditions for the continuation or termination of the admission of the student shall be prescribed by the Academic Council.
- 11.3. The registered students shall have to apply in the department and hostel (if applicable) for renewal of admission in every academic session and pay the requisite fees
- 11.4. The student shall not be entitled, or permitted, to secure admission to, or continue his earlier admission in, any other degree granting courses of study or whole-time academic programme, whether in the University or in any other institution. His/her admission to the Ph. D. programme shall stand terminated at whatever stage (s)he is discovered to have been in violation of this requirement.
- 11.5. The student shall, report and record his/her attendance at the concerned academic entity on all working days which shall be supervised by the research supervisor and the Head of the department. At the time of submission of the thesis, the monthly record of the attendance for the residency period would be submitted in the office, authorized by the Vice-Chancellor.
- 11.6. All Ph.D. scholars, irrespective of discipline, shall be required to train in teaching /education /pedagogy/writing related to their chosen Ph.D. subject during their doctoral period. Ph.D. scholars may also be assigned 4-6 hours per week of teaching/research assistantship for conducting tutorial or laboratory work and evaluations. However, for the student holding a Fellowship/Scholarship (awarded by of the University Grants Commission, or the Council of Scientific and Industrial Research, or Department of Science and Technology, or any other national/international funding agency), their assistantship in the teaching and/or other academic work may also be the part of his/her assessment of every six-month's progress.
- 11.7. The student shall appear before his/her SRAC in every meeting (to be held in the month of June for the even semester and in the month of December for the odd semester) to make a presentation of the progress of his/her work for evaluation and further guidance. In addition to making presentations, the student shall also submit half yearly reports to the SRAC, through the

supervisor, on the work done by him/her and the work (s)he proposes to do in the next semester.

- 11.8. In extraordinary circumstances when it is not feasible to hold the SRAC meeting due to some unavoidable circumstance, the supervisor would seek the approval of Vice Chancellor for holding the meeting jointly with the meeting for the next semester. During such a meeting, SRAC will submit two different progress reports for different semesters.
- 11.9. The six-monthly progress reports shall be submitted by the Student's Research Advisory Committee (SRAC) along with its recommendation to the University's Academic Section or Registrar Office (or some other office authorized by the Vice Chancellor) with a copy to the Ph.D. student.
- 11.10. In case the progress of the Ph.D. student is unsatisfactory, the Student's Research Advisory Committee (SRAC) shall record the reasons for the same and suggest corrective measures. If the Ph.D. student fails to implement these corrective measures, the SRAC may recommend to the University with specific reasons for cancellation of the registration of the Ph.D. student.
- 11.11. In case the student is in default of any of the requirements specified in this clause and other provisions of these Regulations, or in case the SRAC is not satisfied with any aspect of his/her work and progress and conduct, it may, after considering such explanation as (s)he may submit through his/her supervisor in that regard, take such action as it may deem proper including a recommendation to the AC that the admission of the student be terminated.
- 11.12. Along with 6th progress report of the student, student's research advisory committee (SRAC) will submit the finalized title of the thesis as well as the objectives and research plan in specific, well defined and categorical manner on the basis of (i) progress made and results achieved by the student in the preceding 06 semesters and (ii) doability/feasibility of the remaining research work to be done by the student in the succeeding semester(s). It shall ordinarily be in not more than 5000 words, and shall present (i) Title, (ii) Specific Research Area, (iii) Review of the Relevant Literature, (iv) Current State of Knowledge on the Title of Research (v) specific and well-defined Objectives and (vi) Plan of Research, (vii) the Sources, (viii) Methodology proposed to be employed in the investigation, (ix) References and (x) such other information as may be relevant in that regard.
- 11.13. The student shall be required to complete his/her research work and submit the thesis within the period (prescribed by UGC in its Regulations and/or Clause 3 of this Ph.D. ordinance) reckoned from the date of his/her enrolment in the Ph.D. programme. However, if Student's Research Advisory Committee (SRAC) certifies that 90% research work has been completed in the maximum duration (prescribed under Clause 3 of this Ph.D. ordinance or in the period prescribed by UGC), the academic council may, after considering the

recommendation of the SRAC, in a very special case and for reasons to be recorded, grant further extension of not more than 06 months. For the extended period, the student will submit the application for re-registration to the Vice-Chancellor through the Head/Dean of the School or Department. After getting the permission of re-registration, the student shall have to pay admission and other fees as determined by the University.

11.14. It is provided further that in case the student fails to submit the thesis within the period permitted for the submission of the thesis, including the periods of the extension thereof his/her admission to the Ph.D. programme shall be liable to be terminated and (s)he shall, upon such termination, forfeit all the fees and other dues paid by him/her for and during such admission. The name of a student will be removed from the rolls of the University.

11.15. Ph.D. students will aim at publishing the research articles in journals (national/international) of high repute during their Ph.D. program before the submission of the thesis for adjudication. The students who publish the research articles/papers, will be incentivized in the following manner:

For Science Discipline:

S.N.	Research Outcome of Students	Impact
[A]	Those who have published 02 research articles in SCI indexed or ESCI indexed or SCOPUS indexed journals or UGC CARE listed journals	They may be allowed to submit the thesis immediately after publication of 02 research articles and completion of minimum residency period of three years, provided that SRAC recommends the same on the basis of fulfilment of objectives of research plan and satisfying the academic rigor and other requirements posed on theses aimed for obtaining PhD degree. It is expected that a thesis will contain original work and contribute to the body of knowledge in any respective area.
[B]	Those who are carrying out research and not aiming at or unable to publish the research articles.	SRAC and supervisor will encourage them, mentor them and help them to put efforts to publish the research articles at least upto the stage of 06 months before the completion of the maximum period recommended by UGC for the Ph.D. program. Without publication of any research article, they will be allowed to submit the thesis during the last 06 months of their maximum duration recommended by UGC, if they have achieved the objectives laid down in the research plan and meet the academic rigor and other requirements posed on theses aimed for obtaining Ph.D. degree.

For Social Sciences, Humanities and Other Discipline:

S.N.	Research Outcome of Students	Impact
[C]	Those who have published 02 research	They may be allowed to submit the

	articles in UGC CARE listed journals or SCOPUS indexed journals or Arts and Humanities Citation Indexed (AHCI) Journals or Social Science Citation Indexed (SSCI) Journals or RePEc (Research papers in Economics) Indexed Journals or the Journals approved by the academic council of the University.	thesis immediately after publication of 02 research articles and completion of minimum residency period of three years, provided that SRAC recommends the same on the basis of fulfilment of research objectives of research plan. It is expected that a thesis will contain original work and contribute to the body of knowledge in any respective area.
[D]	Those who are carrying out research and not aiming at or unable to publish the research articles.	SRAC and supervisor will encourage them, mentor them and help them to put efforts to publish the research articles at least upto the stage of 06 months before the completion of the maximum period recommended by UGC for the Ph.D. program. Without publication of any research article, they will be allowed to submit the thesis during the last 06 months of their maximum duration recommended by UGC, if they have achieved the objectives laid down in the research plan and meet the academic rigor and other requirements posed on theses aimed for obtaining PhD degree.

The student, who will publish the research articles / research papers, will produce the evidence for the same in the form of the reprints before SRAC.

[12] Pre-Thesis-Submission Seminar

- 12.1. When the Student's Research Advisory Committee (SRAC) has the opinion that the research work has been accomplished, and the draft of the thesis is at the final stage of writing-process, the SRAC would ascertain that the title (mentioned in the finalized research proposal) is the most appropriate title of the thesis. If SRAC members have the opinion that there is still a need for modification in the title, the modification will be made before this seminar and the modified title will be communicated to the office of the Registrar or Academic Section or the office authorized by the Vice-Chancellor for record and/or notification. At a later stage, no change in the title would be allowed.
- 12.2. Student's Research Advisory Committee (SRAC) will recommend a particular date and time for holding pre-thesis-submission seminar of the student. This seminar would be held at least one month prior to the pre-submission of the thesis. After the recommendation of the SRAC, the supervisor shall issue the notice of the seminar (countersigned by the Head or Dean or endorsed through email) with intimation to the Registrar or Academic Section or the office authorized by the Vice-Chancellor. During this seminar, the student shall give a preliminary presentation on his/her research findings.

12.3. This presentation will be made in the Department before the Student's Research Advisory Committee (SRAC). This presentation will also be open to all faculty members and other Ph.D. students. In this meeting and presentation, SRAC would do the following:

12.3.1. SRAC will assess the magnitude of the research-work done and objectives achieved.

12.3.2. SRAC would ensure that the Ph.D. student, who is submitting his/her thesis before the stage of 06 months before the completion of the maximum period recommended by UGC for the Ph.D. program, have published a minimum of 02 research articles in accordance with preceding clause 11.15 of these regulations.

12.3.3. SRAC will go through the official records to ensure that Ph.D. scholar, irrespective of discipline, has been trained in teaching /education /pedagogy/writing related to their chosen Ph.D. subject during the doctoral period.

12.3.4. SRAC will peruse the official records produced by the Supervisor and or the student/scholar, if (s)he has also been assigned 4-6 hours per week of teaching/research assistantship for conducting tutorial or laboratory work and evaluations.

12.3.5. SRAC would also ensure that the Ph.D. student meets all the criteria for submission of the thesis.

12.3.6. All the SRAC members will make a unanimous recommendation in a clear, categorical and specific manner on a standard and prescribed format in triplicate. All the three copies will be signed by all the members of SRAC. If some member(s) are connected in online mode, they will send their recommendation and comments, *if any*, via E-Mail to research supervisor (convener of SRAC). One copy of such report/recommendation, signed by all the members, shall be forwarded to the Academic Section, one copy to the Registrar's office or the office authorized by the Vice Chancellor and the third copy to AAC (Academic Advisory Committee) for the record and/or perusal.

12.3.7. SRAC shall also finalize and approve the *Summary of Thesis*. The said summary may also be termed as Synopsis of Thesis, only if it is required for some essential and specific purpose. The SRAC would also ensure that the *Summary of Thesis* includes (but not limited to) the final as well as the most appropriate title of the thesis, a very brief introduction, objectives, chapter-wise results in the shortest form, conclusions and list of publications. A minimum of five duly signed copies of *Summary of Thesis* will be prepared. If some member(s) are connected in online mode, they will send their approval on the finalized *Summary of Thesis* via E-Mail to research supervisor.

- 12.4. The feedback and comments obtained from those who attend pre-thesis-submission seminar will be suitably incorporated into the draft of the thesis in consultation with the Student's Research Advisory Committee (SRAC).

[13] Submission of Thesis

- 13.1. A Ph.D. student shall submit four soft-bound copies and electronic version (PDF) of the thesis, typed in the format prescribed by the academic council of the university.
- 13.2. The Ph.D. student shall enclose the documents (in the form of presentation certificates and/or reprints of published articles) in the form of the last pages of the thesis.
- 13.3. While submitting for evaluation, the thesis shall have an undertaking from the Ph.D. student and a certificate from the Research Supervisor attesting to the originality of the work, vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same university where the work was carried out, or to any other Institution/university. The certificate or statement on the certificate, vouching that there is no plagiarism and no violation of copyright regulation, must be based on the report generated using well-developed software and gadgets (prescribed by the academic council and/or UGC for detection of plagiarism and other forms of academic dishonesty).
- 13.4 The thesis shall include a certificate from the supervisor to the effect, inter alia, that the recommendation made by the committee have suitably been incorporated and a declaration that the thesis incorporates the students' bonafide research and that the findings have not been submitted for the award of any degree/diploma in this or any other university or institute.
- 13.5 The application for submission of thesis shall be countersigned by the Dean/Head of the Department or School. The SRAC will then forward the *Thesis* along with *Summary of Thesis* to the Academic Section or the Registrar office or the office authorized by the vice chancellor, through the Dean/Head of the concerned School/Department for further action.
- 13.6 SRAC shall also ensure that a satisfactory progress reports for a minimum of approximately 60% of the total semesters of residency period (or period in parttime mode for parttime students) has been submitted to the appropriate and/or authorized office.

[14] Panel of Examiners for Evaluation

- 14.1. The Ph.D. thesis submitted by a Ph.D. student shall be evaluated by his/her Research Supervisor and at least three external examiners, who are not in

employment of the university, of whom two examiners must be from outside the state of Uttarakhand.

- 14.2. The supervisor shall submit a panel of ten different examiners belonging to the particular broad research area along with their specializations (and lists of publications wherever possible) in the prescribed Performa to the AAC through the Dean/Head of the Department or School for approval and submission to the Registrar or Academic Section or the office authorized by the Vice-Chancellor. In this panel, his/her own name may also be included. At least 05 proposed examiners must be outside the State of Uttarakhand.
- 14.3. The Vice-Chancellor will appoint three external examiners. While doing so, he may ensure that at least two of them are outside the State.

[15] Evaluation Reports of Examiners

- 15.1. The University shall develop appropriate methods to ensure the completion of the entire process of evaluation of Ph.D. thesis within a period of six months from the date of submission of the thesis.
- 15.2. Each examiner will give a certificate that the student is not having a blood-relation / close relation with the student in any form.
- 15.3. The examiners shall examine the thesis and shall submit their reports in the prescribed format to the university making a clear recommendation that in his opinion, the thesis (i) is recommended for the award of Ph.D. degree, (ii) should be modified or revised; (iii) is rejected.
- 15.4. The reports of the examiners of the thesis shall first be placed before the Registrar and, in case, any report is not complete and clear, the Registrar will put up the matter before the Vice Chancellor. If Vice-Chancellor is also satisfied about the deficiency in the report, (s)he shall return such report to the concerned examiner through Registrar to make up the deficiency.
- 15.5. If all the external examiners unanimously and unambiguously recommend that the thesis be accepted/recommended for the award of PhD degree, the Vice-Chancellor shall direct that the *viva-voce* examination of the student be arranged as early as possible.
- 15.6. If two of the external examiners unanimously and unambiguously recommend that the thesis be accepted and the third external examiner recommend rejection of the thesis, Vice-Chancellor will appoint the 4th examiner from the same panel, and the thesis will be sent to the 4th examiner for evaluation.
- 15.7. If all or two or one external examiners recommend revision and requirement of some other work to be done, such recommendation shall be appropriately communicated to the student. The Vice-Chancellor shall issue directions (through the Registrar) to the student and/or his research supervisor to reply

or re-submit the thesis in the revised/modified form not later than one year from the date of the decision and the re-submitted thesis shall be sent again to the original examiner(s). If the student decides not to accept the suggested modifications, and replies to the points/observations made by an examiner but the reply is not accepted by the examiner, the matter shall be referred to the committee of experts (with Supervisor as a member) to be appointed by the Vice-Chancellor. The recommendation of this committee, in such circumstances, would be considered to be the final. If Vice-chancellor decides not to accept the recommendation, he will record and assign the categorical and specific reasons for the same.

- 15.8. If two of the external examiners recommend rejection, the thesis will be rejected, and no degree shall be awarded.

[16] Re-Submission of the Thesis

- 16.1. The thesis required to be re-submitted, and the abstract there of, shall be re-submitted in the same manner, style and language as the original thesis. The list of changes/modifications made will separately enclosed.
- 16.2 Re-submission of the thesis in the revised/modified form must be done as soon as possible but not later than one year from the date of the decision and the re-submitted thesis shall be sent again to the same original examiner(s). However, if the same examiner(s) is (are) not willing to re-evaluate the thesis, or a reply is not received regarding their acceptance for re-evaluation within 04 weeks from the date of communication, other examiner(s) may be appointed by the Vice-Chancellor from the same approved panel.
- 16.3 Notwithstanding any provision to the contrary in these regulations, no student shall be entitled or permitted to re-submit the thesis more than once.

[17] Viva-Voce, Declaration of Result and Award of the Degree

- 17.1. On the receipt of the satisfactory evaluation reports, recommendation of examiners or decision, made by Vice-Chancellor in some specific or extraordinary circumstances (mentioned under preceding clauses), the student shall undergo a viva-voce examination.
- 17.2. The University shall ensure that as far as possible and practicable, the viva-voce examination shall be held within a period of six months from the receipt of examiners' reports.
- 17.3. A board, consisting of the Supervisor and one of the external examiners, shall be constituted by the Vice-Chancellor for the Viva-Voce examination. The supervisor will act as convenor of the Viva-Voce examination. The Registrar/Vice-Chancellor office shall inform the Head of the Department

through the Dean (if any) of concerned school/ department to arrange the viva-voce examination in consultation with the supervisor.

- 17.4. The viva-voce examination shall be open to be attended by the members of the Student's Research Advisory Committee (SRAC), all faculty members of the Department, other Ph.D. students and other interested experts/researchers.
- 17.5. The department shall maintain a separate register for the record of attendees of Viva-Voce examination. In case, the viva-voce is being held in hybrid mode in which some attendees are connected online, their record will also be maintained in the same register.
- 17.6. The viva-voce examiners shall make the assessment of the student in order to ascertain the extent to which (s)he is well acquainted with the literature on the subject, evinces a good understanding of the topic of his/her research as well as originality in his/her investigations and conclusions, and has an appropriate comprehension of the broad field of his/her study, and has ability to address other issues relevant in that regard.
- 17.7. If the viva-voce examiners do not recommend award of Ph.D. degree, the student shall have to re-appear at a second viva-voce examination within three months. If the student fails to satisfy the viva-voce examiner the second time, his/her thesis shall be rejected finally. No student shall be entitled or permitted to re-appear at the viva voce examination more than once.
- 17.8. The research supervisor, the convenor of viva-voce examination, shall submit a report of viva-voce examination (prepared by the SRAC) in the prescribed format highlighting the clear recommendation), to the concerned Head of the Department, who will forward the same to the Vice-Chancellor through Registrar or other authorized office (e.g., academic section).
- 17.9. Vice-Chancellor or the officer, authorized by the Vice-Chancellor, may grant the permission for declaring the result and declaring the date of viva-voce to be the date of award of degree.
- 17.10. A provisional certificate of the award of the degree may be issued to the student on his/her written request by the appropriate University authority.
- 17.11. Along with the award of the degree, the University shall also issue a certificate to the effect that the Degree has been awarded in accordance with the provisions of the UGC (Minimum Standards and Procedure for Award of Ph.D. Degree) Regulations, 2022.

[18] Ph.D through Part-Time Mode:

- 18.1. Ph.D. programmes through part-time mode will be permitted only for such candidates who are the employees of Public Sector Undertakings or

Government Departments or Research and Development Organizations and are posted within the range of 50 kms of the University. In addition, if some Ph.D. student (registered in full-time mode) secure regular Government service/job (state or central including PSUs) in India, his/her Ph.D. registration may be converted in the part-time mode (after completion of the course work requirement) provided that he or she is posted in Dehradun within the range of 50 kms of the University.

18.2. It will be mandatory for such candidates to fulfill all other conditions stipulated in the ordinance and/or these Regulations for the award of PhD degree.

18.3. The University shall obtain a "No Objection Certificate" through the candidate for a part-time Ph.D. programme from the appropriate authority in the organization where the candidate is employed, clearly stating that:

- i. The candidate is permitted to pursue studies on a part-time basis.
- ii. His/her official duties permit him/her to devote sufficient time for research.
- iii. As required, he/she will be relieved from the duty to complete course work."

18.4. For such candidates too, a minimum residency period of six months (with a NOC by proper channel) will be required to complete the course work in full time mode.

[19] Restrictions on Ph.D through Distance Mode/Online Mode:

Notwithstanding anything contained in these Regulations or any other law, for the time being in force, Doon University will not conduct Ph.D. programmes through distance and/or online mode.

[20] Grant of M.Phil. Degree

Doon University will not offer the M.Phil. (Master of Philosophy) programme.

[21] Issuing a Provisional Certificate

Prior to the actual award of the Ph.D. degree, the University shall issue a provisional certificate to the effect that the Ph.D. is being awarded in accordance with the provisions of UGC Regulations 2022.

[22] Award of Ph.D. Degrees prior to Notification of this Ordinance and Regulations

Award of degrees to candidates registered in the Ph.D. programme in or after 2016, till the date of Notification of this ordinance and Regulations shall be governed by the provisions of the Doon University Ph.D. ordinance 2021 {which is in compliance of the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D. Degrees) Regulations, 2016}.

[23] Depository with INFLIBNET:

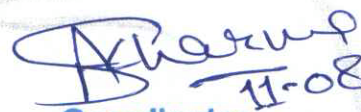

Following the successful completion of the evaluation process and before the announcement of the award of the Ph.D. degree(s), the Higher Educational Institution concerned shall submit an electronic copy of the Ph.D. thesis to INFLIBNET, for hosting the same so as to make it accessible to all the Higher Educational Institutions and research institutions.
