The University follows a continuous evaluation system consisting of periodic internal assignments/ sessionals, mid-term and end semester examinations. The distribution of marks for such courses is decided by the Course Instructor with the approval of the HoD of the School. A student's performance is measured by the number of Credits that he/she has completed satisfactorily. A minimum number of Credits and Grade Points are required to be obtained for the student to continue in the Programme. The performance of students will be assessed at the end of each Semester and Semester Grade Points (SGPA) awarded. After completing both the Semesters the Cumulative Grade Point Average (CGPA) will be calculated.

To pass in a subject, all the examinations (Mid or Make-up, End, Practical, Viva-voce as applicable) are compulsorily to be given. A fresh assessment marks (Max 20 as applicable) should be provided by the faculty for awarding the grade in a subject. If a student fails in a course(s) with F and G Grade, such course(s) have to be repeated by undergoing all examinations in the following Semester or whenever the course(s) is offered. Students desirous of improving the grades in courses shall be permitted Improvement examination only in maximum two courses from each semester(Odd/Even) of preceding year having Grades D or E.

Overall Grade Point Average (OGPA) is calculated by dividing total grade points earned by the student by total course credits taken by the student at the end of a degree programme. The scholastic significance of the OGPA at the end of the final semester of the programme is given below:

OGPA	Division
4.000 to below 6.000	Pass in case of 6 semester component of Integrated Programme)
5.000 to below 6.000	Pass
6.000 to below 7.000	Second Division
7.000 to below 8.000	First Division
8.000 and above	First Division with Distinction

Subject to the achievement in academic performance in a programme of study in terms of OGPA a student who passes in the examination shall be awarded the degree. The students getting OGPA less than 5.0 at the end of 6 semesters of the Integrated courses shall not be allowed to continue to the Master's degree.
