Average score

The IQAC team has also analyzed the overall responses and the average score per question. In order to achieve this, responses for each question was collected in a scale of 1-5, with 5 being the most favorable and 1 being least favorable. The average score was calculated over total responses collected over time for all the programs and it was analyzed by using the software.

Recommendations are prepared and forwarded to the management. Action taken report is also prepared department wise for follow up actions.

The following is the analysis of average score per question.

Syllabus is need based and suitable to the course *Average Score 4.29*

The curriculum has well defined objectives *Average Score 4.10*

The curriculum has components to address requirements of job *Average Score 4.23*
