Mode of Evaluation:

- Mid-Semester Exam: 30%
- Final Exam: 50%
- Class Performance/Assignments: 20%

Course Code: SPP401

Course Title: Seminar/Project I

Credits: 2 Hours per week: 2

Objectives / COC

At the end of Semester, a student who completes this course will be able to

- Learn about the process of selecting a theme for conducting research/project
- Review the necessary literature for the research
- Analyse and identify the methodology according to the research question/s
- Write a brief synopsis that indicates the research question/s,/project objectives/ methodology, research gap and literature review (Literature Review and Synopsis Writing)

Content:

1. Selection of theme/board area for research/project 2. Review Literature 3. Identify Research Gaps 4. Identify Research Question/s/Project Objectives	1. Identify Research/Project Methods 2. Develop a Hypothesis and Delimitation 3. Identify the Rationale and Scope for the Research/Project 4. Write a Synopsis/ Research/Project Proposal
--	--

(Note: A more detailed definition of project will be elaborated later by the department, the following are suggested: designing didactic material, designing Spanish courses for specific purposes, Use of platforms such as MOOC, MOODLE, Developing and implementing teaching modules in schools, organizing workshops/events on Spain and Latin American Culture, organizing film festivals etc, creating networks of Spanish teachers)

Mode of Evaluation:

The synopsis for research or project submitted at the end of the course will be evaluated as per the norms of the university

SEMESTER II

Course Code: SPC451

Course Title: Cultural History of Spain and Latin America-II

Credits: 4 Hours per week: 4 (3 Lectures + 1 Tutorial)

Objectives/Course Out Come (COC): At the end of Semester a student who opts for and completes this course will be able to

- Gain knowledge about the cultural history of Spain and Latin America from the 18th century to the contemporary period
- Analyze the main artistic and cultural productions of Spain and Latin America during this time
- Analyze and recognize how history and culture are related to each other by applying critical thinking and independent analysis
- Demonstrate the knowledge and analysis through the course in written and oral

Course outline:

It is divided into two sections with two semester,

Content:

The course comprises of a total of 8 units divided into two sections. The course in charge may choose some of the fragments from the texts suggested (not all).

Upto Mid Term	Upto End Term
<p>Unit I. 18th Century:</p> <ul style="list-style-type: none"> a. The Beginning of Bourbon Dynasty and End of Hapsburg Dynasty in Spain b. **Course Title: Applied Linguistics with Reference to Teaching Spanish
as a Foreign Language**

Credits: 4 Hours per week: 4

Course Description: Applied Linguistics intends to apply knowledge of theories of linguistics to solve real life issues such as language learning.

Objective/ COC: The students that opt for and complete this course will

- Understand what is applied linguistics and the relevance of the discipline
- Acquire theoretical and practical knowledge of applied linguistics with reference to teaching Spanish as a foreign language
- Familiarize with the specific challenges and opportunities in the field of teaching of Spanish as a foreign language in India
- Gain the necessary knowledge about methods of the field of applied linguistics w.r.t. ELE which can be useful for writing a dissertation in this area

Course outline: It will be divided into two sections taking the two semester exams (Mid Term and Final Exam) into account:

Contents: (Content of the course, mainly themes, topics)

SECTION I	SECTION II
------------------	-------------------

<ol style="list-style-type: none"> 1. Revision of Concepts on and Characteristics of Human Language 2. Understanding Applied Linguistics and its relationship with other branches of linguistics and humanities 3. Theories of Language Acquisition <ol style="list-style-type: none"> a. Behaviourist Paradigm b. Universal Grammar and Innateness Approach c. Stages of Acquisition of Mother Tongue by a Child 4. Second Language Learning and Acquisition <ol style="list-style-type: none"> a. Factors that impact learning of a second/foreign language 5. Methods of Teaching a Foreign Language <ol style="list-style-type: none"> a. Grammar Translation Method 	<ol style="list-style-type: none"> a. Direct Method b. Audio Lingual Method c. Cognitive Methods d. Communicative Approach <ol style="list-style-type: none"> 6. Use of IT and new technologies in teaching Foreign Languages 7. Teaching of Spanish as a foreign Language in the Multilingual Context of India 8. Practical Aspects <ol style="list-style-type: none"> a. Class Observation b. Planning a lesson c. Simulated Teaching of Spanish as a Foreign Language d. Developing Didactic Material e. Developing Games, Quiz etc.

- Final Exam: 50%
- Class Performance/Assignments: 20%

The 2nd year of a 2-year Masters will be dedicated in developing a Masters Dissertation or an academic project. The project/dissertation completed in the 1st year should be the starting point for the project/dissertation of the 2nd year. The dissertation will be written under the supervision of a faculty member assigned after due process depending on the availability of supervisors and their research areas. The course called seminar will be

used for regular presentation and discussion on the progress in the research/project where all faculty members will be present and will be able to give their feedback.

Course Code: SPP501

Course Title: Seminar I

Credits: 2 Hours per week: 2

Objectives/COC

Using the already existing format of monthly graduate level research seminars for discussion on ongoing research topics, this course intends to

- Give students a chance to discuss/present their work/ideas/progress with the faculty members and other students in a regular/systematic way
- Preparing students for paper presentations at academic conferences
- Get and incorporate continuous feedback from peers as well as faculty members
- Attend seminars/conferences/events related to their field

Content: Flexible depends on the students enrolled and their research topics. Compulsory to attend the scheduled graduate level research seminars by the department.

Evaluation: Based on participation and presentation in graduate level research seminars organized by the department.

Course Code: SPP502

Course Title: Dissertation I (Literature Review and Synopsis Writing)

Credits: 20 Hours per week: 20 (Practical)

Objectives / COC

At the end of Semester, a student who opts for and completes this course will be able to

- Select a theme for conducting research
- Review the necessary literature for the research
- Select the methodology according to the research question/s
- Write a synopsis that clearly identifies the research question/s, methodology, research gap and literature review

Content:

1. Selection of theme/board area for research	1. Identify Research Methods
2. Review Literature	2. Develop a Hypothesis and Delimitation
3. Identify Research Gaps	3. Identify the Rationale and Scope for the Research
4. Identify Research Question/s	4. Write a Synopsis/ Research Proposal

Mode of Evaluation:

The synopsis submitted at the end of the course will be evaluated as per the norms of the university

Course Code: SPP551

Course Title: Seminar II

Credits: 2 Hours per week: 2 (Practical)

Objectives/COC

Using the already existing format of monthly graduate level research seminars for discussion on ongoing research topics, this course intends to

- Give students a chance to discuss/present their work/ideas/progress with the faculty members and other students in a regular/systematic way
- Preparing students for paper presentations at academic conferences
- Get and incorporate continuous feedback from peers as well as faculty members
- Attend seminars/conferences/events related to their field

Content: Flexible depends on the students enrolled and their research topics. Compulsory to attend the scheduled graduate level research seminars by the department.

Evaluation: Based on participation and presentation in graduate level research seminars organized by the department.

Course Code: SPP552

Course Title: Dissertation II (Main Thesis Writing)

Credits: 20 Hours per week: 20 (Practical)

Objectives/Outcome:

- Ability to write a dissertation keeping the research questions, methodology and related aspects identified in the previous semester
- Use academic norms and standards for writing the dissertation

Course Content: Dissertation Writing as per the norms and guidelines of the university.

Evaluation: Dissertation is evaluated as per the norms and guidelines of the university
