Kurukshetra seeks to carry the message of Rural Development to all people; it serves as a forum for free, frank and serious discussion on the problems of Rural Development with special focus on Rural Uplift.
The views expressed by the authors in the articles are their own. They do not necessarily reflect the views of the Government or the organisations they work for.
The readers are requested to verify the claims in the advertisements regarding career guidance books/institutions. Kurukshetra does not own responsibility. Maps used are for illustration & study purpose and may not strictly conform to the official maps. Images, graphics and illustrations, wherever used, are mostly sourced from government channels and are illustrative in nature. Final colouring rights will vest with Kurukshetra Team.

Let noble thoughts come to us from all sides.
Rig Veda

Since 1957

YOJANA, a development monthly published since 1957, is a theme-based journal providing in-depth analysis and views on socio-economic issues in the broader frameworks of government policies. Although published by the Ministry of Information and Broadcasting, YOJANA is not restricted to expressing the official point of view.

DISCLAIMER

- The views expressed in various articles are those of the authors and they do not necessarily reflect the views of the Government or the organization/s they work for.
- Maps/flags used in the articles are only indicative and they do not reflect the political map or legal representation of the flag of India/any other country.
- The information/figures are provided by the authors through their reliable sources and YOJANA claims no responsibility for the same.
- Images, graphics and illustrations, wherever used, are mostly sourced from government channels and are indicative in nature.
- YOJANA does not own responsibility regarding the contents of the advertisements. The readers are requested to verify the claims made in the advertisements regarding sources, communication media or institutions.
- YOJANA does not take any responsibility for private articles presented as case studies in any of the articles.
