| S.No | Title of Book   | Author                         | Copies |
|------|---|--------------------------------|--------|
| 1    | Principles of Artificial Intelligence                     | Nilsson, Nils J.               | 2      |
| 2    | Fundamentals of Electrical Engineering And Electronics    | Theraja, B.L.                  | 2      |
| 3    | Web technologies  | Jackson, Jeffrey C.            | 2      |
| 4    | Database principles                                       | Coronel, Carlos                | 2      |
| 5    | Business Mathematic                                       | Soni, R.S.                     | 5      |
| 6    | Financial Mathematics                                     | Shani, Prarthana               | 5      |
| 7    | Approximation theory                                      | Govil, N.K (ed)                | 2      |
| 8    | Elementary boundary value problems                        | Bick, T. A.                    | 2      |
| 9    | Frontiers in interpolation and approximation              | Govil, N.K. (ed)               | 2      |
| 10   | Functional analysis and valuation thoery                  | Narici, Lawrence               | 2      |
| 11   | Introduction to functions of a complex variable           | Curtiss, John<br>Hamilton      | 1      |
| 12   | Quantitative Remote Sensing in Thermal Infrared           | Tang, Huajun                   | 1      |
| 13   | Mineral Resources   | Revuelta, Manuel<br>Bustillo   | 1      |
| 14   | Fundamentals of cartography and geoinformatic             | Jain, Jawahar Lal              | 1      |
| 15   | Engineering Geology for Underground Works                 | Gattinoni, Paola               | 1      |
| 16   | Basics of Metamorphic Petrology                           | Manickavasagam,<br>R.M.        | 1      |
| 17   | Data mining   | Dunham, H.<br>Margaret         | 4      |
| 18   | Artificial intelligence for the internet of health things | Shankar, K.                    | 1      |
| 19   | New age analytics   | Shrivastava,<br>Gulshan (ed)   | 1      |
| 20   | Computer Graphics And animation                           | Alam, Tanweer                  | 10     |
| 21   | Programming With Python                                   | Lakshmi, Muddana               | 3      |
| 22   | Fundamentals of image data mining                         | Zhang, Dengsheng               | 1      |
| 23   | Artificial Intelligence                                   | Thareja, Reema                 | 2      |
| 24   | Machine learning  | Mello, Rodrigo<br>Fernandes De | 1      |
| 25   | Machine Learning With Python for Everyone                 | Fenner, Mark E.                | 3      |
| 26   | Intro to Python   | Deitel, Paul                   | 1      |
| 27   | Physics of oscillations and waves                         | Vistnes, Arnt Inge             | 1      |
| 28   | Nuclear and Particle Physics                              | Jain, Vimal Kumar              | 5      |

|    |  |                          |    |
|----|--|--------------------------|----|
| 29 | Quantum Physics                                    | Jain, V.K.               | 5  |
| 30 | Nuclear physics                                    | Petterson, Beth          | 1  |
| 31 | Quantum physics                                    | Boohm, Arno              | 1  |
| 32 | Atomic physics                                     | Mohan, Joseph            | 1  |
| 33 | Op Amps and linear integrated circuits             | Gayakwad,<br>Ramakant A. | 2  |
| 34 | Principles of electromagnetics                     | Sadiku, Matthew<br>N. O. | 1  |
| 35 | Essentials of Biophysics                           | Narayanan, P.            | 1  |
| 36 | Introduction to Nanoscience and Nanotechnology     | Chattopadhyay, K.<br>K.  | 1  |
| 37 | Network Analysis                                   | Valkenburg, M.E.<br>Van  | 1  |
| 38 | Fundamental polymer science                        | Gedde, U.W.              | 1  |
| 39 | Practicals in Polymer Science                      | Siddaramaiah             | 5  |
| 40 | Instrumental methods of analysis                   | Rao, D.<br>Muralidhara   | 5  |
| 41 | Analytical chemistry                               | Verma, R. M.             | 5  |
| 42 | Instrumental methods of analysis                   | Gary, N.                 | 5  |
| 43 | Practical Biochemistry                             | Gupta, R.C.              | 5  |
| 44 | Small scale approach Organic laboratory techniques | Pavia, Donald L.         | 5  |
| 45 | Modern Electrochemistry 2A                         | Bockris, John O.M.       | 5  |
| 46 | Modern Electrochemistry 1                          | Bockris, Johan<br>O.M.   | 5  |
| 47 | Modern Electrochemistry 2B                         | Bockris, John O.M        | 5  |
| 48 | Principles of Organic Synthesis                    | Norman, R.O.C.           | 5  |
| 49 | Understanding NMR Spectroscopy                     | Keeler, James            | 5  |
| 50 | Supramolecular Chemistry                           | Lehn, Jean Marie         | 5  |
| 51 | Drug design  | Razdan, Balkishen        | 5  |
| 52 | Textbook of medicinal chemistry                    | Parimoo, P.              | 5  |
| 53 | Practical medicinal chemistry                      | Rajak, Haridh            | 5  |
| 54 | Waste Water Treatment                              | Rao, M.N.                | 3  |
| 55 | Entropy  | Greven, Andreas          | 5  |
| 56 | Nuclear chemistry through problems                 | Arnikar, Hari<br>Jeevan  | 5  |
| 57 | Analytical chemistry                               | Khopkar, S.M.            | 5  |
| 58 | Operations management                              | Heizer, Jay              | 5  |
| 59 | Business Entrepreneurship And Management           | Shankar, Gauri           | 10 |
| 60 | Research Methodology for Management                | Ravindranathan, N.       | 10 |
| 61 | Financial services marketing                       | Ennew, Christine         | 1  |
| 62 | Digital Marketing                                  | Arya, Ankush             | 5  |
| 63 | Entrepreneurship                                   | Hamid, Saad Bin          | 8  |

|    |   |                          |   |
